Ladies and Gentlemen:

What a great celebration we experienced on Saturday, June 8 at the Crossroads on a Mission Day. Over 400 volunteers served the City of Flint through food distribution, community gardening, planting, cleaning up our community, mowing lawns, prayer walks and vigils, singing in a nursing home, face painting, serving food, singing, and the list continues. On this day, Crossroads District members, volunteers from Blue Water and Ann Arbor Districts, and many other people showed up to demonstrate the love of Jesus Christ with their hands, feet, and hearts. We want to thank you for sharing the joy, the love, and grace of God to everyone.

We thank you for your dedication, your professionalism, and your commitment to the city of Flint. Your electrician Zach was kind and caring, going above and beyond the call of duty to set up and take down the electricity.

We look forward to working with you on Crossroads on a Mission again on June 14, 2014.

In His Service,

Rev. Dr. Tara Sutton
Crossroads District Superintendent
